**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of broadband internet and I support broadband competition. I chose to leave Comcast and subscribe to Sonic for their superior service, lower prices, and honest sales approach (not predatory like Comcast).

Broadband internet access is critical to my home as two household members work from home. We contribute to the economy based on our access to stable fast internet at home .

Do not cut of competitive access to internet providers, please.
